Details of the program:

Goals & Objectives: To equip the students, researchers, faculty and professionals about the current scenario of Women Entrepreneurship in India. The need to highlight the impact of COVID-19 pandemic on entrepreneurship in general and women entrepreneurship in specific was felt intensely. Also it was aimed to discuss the scope for women entrepreneurship in the post pandemic period.

**Highlights of the Program:**

The Dept. of Commerce & Mgt.Science of the college organized a national level webinar in on 'Women Entrepreneurship: Challenges & Opportunities on 21<sup>st</sup> November 2020. Participation to the webinar was open for all. A adequate participation of around 77 participants from all over India comprising of academicians, entrepreneurs, research scholars & homemakers.

The webinar was graced and inaugurated by Dr. Mazahar Ahamad Farooqui, Principal, Maulana Azad College, Aurangabad. Dr. Aparna Saraf, webinar convener briefed the participants about the webinar and its objectives. In the Principal's address, Dr.Mazahar Ahmed Farooqui introduced the rich legacy of Maulana Azad College of Arts, Science & Commerce, Aurangabad. He expressed his concern on the pace of growth and sustenance of women entrepreneurship especially during the pandemic.

The first technical session was conducted by Dr.Santosh Vyas, Former Director, BIC. He spoke at length on Entrepreneurial Ideation & Incubation. He deliberated in detail on the various factors leading to powering the economy with Her. He also spoke about the various entrepreneurial attributes. He enriched the participants with their intellectual discourse and ably addressed to various question posed by the participants.

The second technical session was conducted by Dr.B.V.Rathod. He spoke on the 'Post Pandemic Opportunities & Challenges for Women Entrepreneurs. He highlighted the need and importance of women entrepreneurship in India. He also explained about the challenges faced by women entrepreneurs during pandemic and proposed solutions to combat these issues.

Dr.Ashfaque Khan conducted the proceedings of the webinar and Dr.Arif Pathan delivered Vote of Thanks. Dr.Aditi Bhattacharya, IQAC Co-ordinator, Dr.M.A.Bari, Vice Principal were also present for the webinar. The members of Organising committee and faculty members of the college worked enthusiastically to make the event a success.

**Relevance & Outcome:**

Due to COVID-19 pandemic the entrepreneurial world was badly affected. This caused depression within the field of women entrepreneurship wherein the percentage of closure was found to be larger. With this background the webinar was a welcome initiative to bring to light the facts and figures and provide valuable insights regarding the post pandemic entrepreneurial opportunities and challenges. The webinar provided a ray of hope to many for self-sustenance as well.

### ABOUT COLLEGE

Our founder President (Late) Dr. Rafiq Zakaria started the Maulana Azad College Of Arts, Science and Commerce in 1963. It is housed in a large and beautiful campus with Mughal architecture where a pleasant blend of medieval and modern structures co-exist in harmony with a pristine greenery.

It has been awarded 'A' grade by NAAC, the only college to be given this recognition in this entire region in the first cycle and thereafter another grade 'A' in second cycle, with a CGPA of 3.03. The college grew from strength to strength with post graduation in a number of subjects as well as new courses being included every year such as the skill development and Entrepreneurship development courses, Career oriented courses / programs funded by the UGC. The College has been granted CPE status and has conducted a number of Faculty development/enrichment programs under CPE. We have a very diverse student community coming from all sections of the society. Our mentors have worked tirelessly to bring the College to its present stature. We continue to be guided and inspired by life and work of our mentor, President of MAET, Late Dr. Rafiq Zakaria whose birth centenary is being observed this year
