To,

The principal,

Mawlana Azad
College Aurangabad.

Sub: Social awareness regarding PCOD (Polycystic ovarian disorder)

Respected sir/mam,

We, as an organization are working in prevention of metabolic disorders like obesity, heart disease and PCOD from last 20 years. It has been observed since years that prevalence of PCOD is increasing day by day in teen age and above female students. It is a lifestyle disorder having its impact on many hormones leading to dreadful complications. Wrong diet, wrong lifestyle, stress factors are the main cause of such disease. It is very important to educate students in this area to prevent such disease and have a healthy life.

It is our kind request to have a dialogue with your students regarding this issue and motivate and guide them for a proper lifestyle.

As a social responsibility our organization propagates this program without any remuneration.

Kindly do the needful.

Thanks and regards

**REPORT ON
INTERNAL COMPLAINTS COMMITTEE

**WOMEN'S DAY PROGRAMME
8TH March 2019
'Think Equal, Build Smart, Innovate for Change'**

8th March is celebrated worldwide as International Women's Day. It is a day marked for bringing to light the need and necessity of provision of equal status to the female gender. It is an occasion to celebrate the progress made by women in all walks of life. Adopted by the UN in the year 1977, the day is observed across the globe with special events dedicated to women. Every year a theme is picked for the day. This year, it was "Think equal, build smart, innovate for change".

The Internal Complaints Committee of Maulana Azad College decided to celebrate Women's Day on 8th March 2019. The day was thought to be the perfect time to acknowledge the extraordinary role played by women over the years. In order to appreciate the contribution of the female sweepers of the campus who have been working tirelessly, in silence it was decided to felicitate them on this occasion.

The programme was held at 12.30 p.m. at the 24x7 Reading Room of the college. The programme was presided over by the Incharge Principal, Dr.M.Razaullah Khan. Dr.Aditi Bhattacharya, IQAC Co-ordinator was the Chief speaker for the day. Dr.Farhana Khan, HOD, Dept. of English also graced the programme. A Wall-Paper prepared by student from BA was inaugurated on the occasion. Nine female sweepers were felicitated by the dignitaries.

Dr.Aparna Saraf, Prseiding Officer, ICC presented the report of annual activities undertaken by the ICC. Dr.Bhattacharya elaborated on the evolution of Women's day. She also stated that women are an inseperable segment of the society which unfortunately still needs to struggle across the globe for recognition. She also delved into the transition of focus from gender sensitization to gender balance. She advised the women staff members to be confident and proud about their rich contributions.

Dr. Md.Razaullah Khan, I/c Principal elaborated the need for execution of legal norms for better representation of women in politics. He stated that the upliftment of women in India can be credited to the one third representation of women in Panchayat Rajs. He extended his best wishes to all the women staff of the campus and motivated them to continue with their enthusiasm and good work. The programme ended with Vote of thanks.

The programme was attended by female members of staff and students. Later tea and snacks were offered to all.
