

**Compendium  
of  
Tree Plantation  
Maulana Azad College of  
Arts, Science & Commerce  
Aurangabad.**

**TREE PLANTATIONS:** The college through its green army of environmentally conscious staff and students as well as the NSS, NCC, Salim Ali Club, Eco club, Green congregation have contributed to the greening of the campus. Lectures have been engaged by environmentalists to explain the importance of biodiversity and green cover- the lungs of a city .

**Departments have also contributed to tree plantation by planting a sapling on commemorative days or reopening of the college.**

World Earth day is being celebrated by planting saplings in the campus. This is a small gesture of returning the wealth back to soil that has been utilized for the survival of mankind.

**Tree plantations is a regular feature whether it is on dedicated days or every day routine.**

**Every year new garden areas are created with plantations in eco-friendly pots or on the campus soil that is routinely monitored for its fertility.**

**World Environment day is celebrated by planting saplings. On many occasions these are donated by Philanthropists, staff and local society. Tree plantations being done by**

**Department of Biotechnology, encouragement and promotion of green campus initiatives being deftly handled by our Principal.**

**Green Campus initiatives by the NSS program Coordinators,  
non NSS staff members and volunteers.**
