Date:- **31-05-2021**      Time:- 11:00 Am.      Venue/ online platform: Zoom App.

Number of beneficiaries: 183      Type of activity: Curricular/Cocurricular/ Extracurricular/

Extension /NSS/NCC/College committee activity /Departmental activity/CSR/ FDP/Webinar.

**Details of the Programme:** Program was organized to make students aware of IT and there future Scope.

**Goals and objectives:** The goal of this guest lecture is to provide the knowledge to the students that how they can fill the gap of the curricular which has been effected by the pandemic. They can do the different online courses and what will be the future scope in different areas of IT Sector.

**Highlights of the programme :**

Principal Dr. Mazhar Farooqui gave his inaugural address and expressed their views about the events with great knowledge of I.T. Scopes and inaugurated the Guest lecture.

Dr. Shaikh Akhil Asst. Prof. and Head Department Computer Science briefed about the event.

Dr. Naziya Pathan has given a brief Introduction of Resource Person that is Dr. Ramesh R. Manza is presently working as Professor in Department of Computer Science and Information Technology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad

Dr. Ramesh R. Manza has started their lecture around 11.15 am till 12:00 noon. Through lecture students understand the role of IT industry during the pandemic period of Covid-19. It was an extremely informative and an interactive session where students acquired enormous basic knowledge about IT industry. The students were very keen for this guest lecture and they learned a lot. This guest lecture would certainly help them understand the technology in a new perspective.

Mrs. Ruheena Quadri (Assistant professor in Dept. of BCA and BCS) proposed vote of thanks and special assistance was provided by Prof. Sayyed Sultan (Dept. Of Chemistry) time to time support, guidance and Prof Arif Pathan (Dept. Of Chemistry) technical support without which it would not be possible and guest lecture concluded at 12.00 noon.

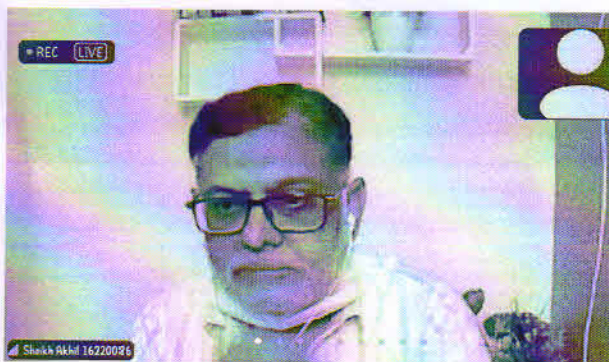

**Relevance and outcome :**

The students has been benefited by the lecture how they can bridge the gap of the curriculum which has been affected by the pandemic and also got the knowledge of different courses of IT and how the students can be benefited by those courses and what are the job opportunities in the market. What are the different areas of specialization in IT industries and how to apply and get the job in IT industries.

**Feedback analysis (Comments/suggestions)**

As per discussion with the students, the topic covered was appreciated and most of the students requested to arrange such talk in the future

**Clear geotagged photographs -3 to 4.**

Attach permission letter, brochure ,itinerary , work distribution , participants list , feed back analysis)
