### Feedback analysis (Comments/suggestions)

The students attended very attentively to the speaker during the sessions in the workshop. After the lecture they had an interaction with the resource persons invited. They got the clear ideas about the concepts related with research such as research approaches, methods in research, the various methodologies, different styles of writing, preparing extensive bibliography, and so on. Finally the students recommended Dr. Shaikh Kalimoddin Rashid, Head, and Department of English to arrange such workshops, lectures related with research in the days to come.
