**Report of Swacchta Hi Seva Programme 2024 from 17 Sept to 2 Oct 2024**

**Name of the Event / Activity** Swacchata Hi Seva, Awareness Rally, Swacchta Pledge, distribution of Swacchata Pamphlets, cleanliness at around 200 meters of our college campus, spread awareness program among citizens for single use plastic information, promote cloth bag uses, segregation of solid waste management, "say no to plastic", campaign promotions

**Date :-** 17 Sept to 2 Oct 2024

**Days:** 16

**Venue :** College campus and around area upto 200 meters including HimayatBagh, Pir Ismail Shah Rauza, Aurangabad Caves, Baba Petrol Pump to KrantiChowk etc

**Number of beneficiaries:** 100

**Details:** The NSS departments of the College prepared the activities as following with the collaboration of the Chhatrapati Sambhaji Nagar Municipal Corporation and **घनकचरा व्यवस्थापन विभाग** division of the corporation worked for the awareness of the cleanness in the city of Aurangabad region. Mr. G. Shrikant (Commissioner AMC) Deputy Commissioner of the Department Mr. Jogdand sir guided to the students during the rally. Dr. Sonali Sirsagar (Director, NSS Dr. BAMU) Principal Dr. Mazahar Ahamad Farooqui and POs of the NSS Department Dr. J.D. Shaikh, Dr. Shaikh Musak Rajjak and Dr. Shaila Yasmeen Khan guided to student volunteers of the occasion. Following program covered within the awareness program.

1. Swacchta Awareness Rally and oath
2. Distribution of Swacchta pamphlet
3. Cleanliness at around 200 meters of our college etc (Rauza Bagh, N12)
4. Swacchta Hi Seva at Himayat Bagh, Aurangabad Caves, Rauza of Pir Ismail Shah, Baba Petrol pump to Kranti Chowk
5. Single use plastic awareness program among citizens
6. Segregation of Solid waste management, Say No Plastic

**Goals and objectives:** 1. The awareness about Swacchta Awareness Rally and oath for clean environment in the Aurangabad town

**Highlights of the program:** Mr. Jogdand sir, Deputy Commissioner of Chhatrapati Sambhaji Nagar Division of CSMC Ghankachara Wyavasthaapan Cell explained the importance of the program. He said, how the INDORE city came to be ranked India's cleanest city year after year. Our Aurangabad town has to the Swaccha Survekshan ranking capabilities. The commissioner of the city, Mr. Srikant sir also sends the message about the awareness of the clean town. A slew of measures led to changes in the sanitation and waste collection system, and helped build greater awareness among citizens. Volunteers of the NSS department gave guidelines to the citizens of Aurangabad. The garbage vans across the city came morning to afternoon for collecting the garbage. The solid and organic waste must be placed in different garbage cans. Dust bins are also used by the citizens. Principal Dr. Mazahar Ahmad Farooqui also guided to the students about the importance of the segregation of the solid waste and the organic waste. The cleanliness oath also taken by all volunteers and Mr. Jogdand with PO of the NSS from our college.

**Relevance and outcome :**

The Awareness drive enjoyed by the volunteers and cleaned the road and roadside grounds in the Himayat Bagh, Pir Ismail Shah Rauza, Aurangabad Caves, Baba Petrol Pump to Kranti Chowk etc.

The pamphlets distributed by the students to the women and men including kids on the roadside playgrounds. The outcome of the rallies are the basic awareness programme to clean the city and make it number one in the India like Indore.

**REPORT OF ACTIVITY FOR SUBMISSION TO IQAC**

Name Of The Event / Activity: "WALL MAGAZINE :: VIEWPOINT@DCMS "

**Topic: INDIA at 2047**

**Guest:** Mr. Sarfaraz Farooqui, Director of Wealth Management Technology at the Canadian Imperial Bank of Commerce, Canada.

**Date:** 22-08-2024

**Time:** - 11:00 AM

**Venue:** Commerce Building

**Type of Activity:** Extra -Curricular

**Participants:** 10

**No. of Beneficiaries:**

**Details of the Program:**

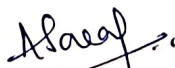

**Goals and Objectives:**

1. Encourage students to reflect on India's potential achievements and challenges as it approaches its 100th year of independence.
2. Provide a platform for students to explore and creatively express their ideas, analyses, and aspirations for India's future.
3. To Promote Awareness of Sustainable Growth and Global Leadership

**HIGHLIGHTS OF THE PROGRAMME**

On 22nd August 2024, at 11:00 AM, the Department of Commerce and Management Science (DCMS) held an inspiring edition of the Wall Magazine, 'View Point @ DCMS,' on the theme 'India at 2047'. This initiative provided a platform for students to showcase their ideas, creativity, and vision for India's future as it approaches its 100th year of independence. This event aimed to inspire forward-thinking perspectives on India's economic, social, and technological development. The event was inaugurated by **Mr. Sarfaraz Farooqui**, Director of Wealth Management Technology at the Canadian Imperial Bank of Commerce, Canada. Mr. Farooqui's insights added a global perspective to the students' visions for India's future growth and development. The inauguration was graced by our esteemed Principal, Dr. Mazahar Ahmed Farooqui, Retd Prof. Dr. I.M Farooqui (Askari) and Dr. Aparna Saraf, Head of the Department of Commerce and Management Science.

**Program Coordinator:** Ms Shazmeen Patel, Asst. Professor Commerce & Mgt. Science, (S.E.T Qualified)

Report of activity for submission to IQAC  
NSS REPORT 2024-25

Name of the Event : **World AIDS Day awareness Rally**

Date :- 2-12-2024    Time:- 09:00 am to 06:00 pm    Venue: **Dist Chh Sambhajinagar**

Number of beneficiaries: **20**    Type of activity : **NSS.**

**Details of the Programme:** An AIDS awareness rally conducted by NSS (National Service Scheme) cell of our college in Aurangabad town area. The principal of our college Dr. Mazahar Ahmad Farooqui motivated for the campaign. The district magistrate or collector of the Chhatrapati Sambhajinagar Mr. Dilip Swami also came to the rally and gave the auth for the awareness about the AIDS in the society. The rally of NSS department with P.O. Dr. Shaikh Musak Rajjak and Afroz Begum with volunteers involves raising public awareness about HIV/AIDS, often on World AIDS Day. The rally aims to educate individuals about safe practices, dispel myths and stigma, and encourage testing. Participants FROM ALL SENIOR COLLEGES IN Aurangabad town were present. The volunteers, including students, faculty, and community members, march through public areas carrying banners and wearing red ribbons, symbolizing solidarity with those living with HIV/AIDS.

Here's a more detailed breakdown of what an AIDS awareness rally organized by NSS typically involves raise awareness about the HIV and its transmission prevention etc. Also the challenge negative perceptions and stereotypes associated with HIV/AIDS. The awareness in society to promote safe sex practices and encourage safe sexual practices and the use of condoms. Before marriage the people must encourage testing the promote regular HIV testing to enable early diagnosis and treatment. Also we have to show solidarity to express support for individuals living with HIV/AIDS. The activities like rally, participants march through public streets carrying banners and placards with awareness messages, NSS Volunteers used slogan and banner for use catchy slogans and eye-catching banners to convey key messages about AIDS

awareness. They used red ribbons for to symbolize solidarity with those living with HIV/AIDS. The informative materials distribute pamphlets and other resources to provide information about HIV/AIDS. Government Ghati college professors and medical officers invited to speakers to address the audience about the importance of AIDS awareness and prevention. Maulana Azad College NSS volunteers play a key role in organizing and participating in the rally. NSS utilizes its community outreach programs to engage with local residents and raise awareness. Also NSS collaborates with other organizations, such as the Red Ribbon Club, to enhance the impact of the rally. An AIDS awareness rally organized by NSS is a powerful tool for raising public awareness, promoting safe practices, and fostering a more inclusive and supportive society for individuals living with HIV/AIDS.

- Goals and objectives:**
1. To aware students and citizens of Aurangabad about the AIDS
  2. To spread the information about the causes and the remedies of the AIDS
  3. To spread the policy of government and college NSS cell towards awareness campaigns of the AIDS and other medical related reforms

**Highlights of the programme:** The rally of NSS department with P.O. Dr. J.D. Shaikh, Dr. Shaila Yasmeen Khan, Dr. Shaikh Musak Rajjak and Afroz Begum with volunteers involves raising public awareness about HIV/AIDS, often on World AIDS Day. The rally aims to educate individuals about safe practices, dispel myths and stigma, and encourage testing. Participants from all senior colleges and high schools Aurangabad town were present. The volunteers, including students, faculty, and community members, march through public areas carrying banners and wearing red ribbons, symbolizing solidarity with those living with HIV/AIDS.

Here's a more detailed breakdown of what an AIDS awareness rally organized by NSS typically involves raise awareness about the HIV and its transmission prevention etc. Also the challenge negative perceptions and stereotypes associated with HIV/AIDS. The awareness in society to promote safe sex practices and encourage safe sexual practices and the use of condoms. Before marriage the people must encourage testing the promote regular HIV testing to enable early diagnosis and treatment. Also we have to show solidarity to express support for individuals living with HIV/AIDS. The activities like rally, participants march through public streets carrying banners and placards with awareness messages. NSS Volunteers used slogan and

banner for use catchy slogans and eye-catching banners to convey key messages about AIDS awareness. They used red ribbons for to symbolize solidarity with those living with HIV/AIDS. The informative materials distribute pamphlets and other resources to provide information about HIV/AIDS. Government Ghati college professors and medical officers invited to speakers to address the audience about the importance of AIDS awareness and prevention. Maulana Azad College NSS volunteers play a key role in organizing and participating in the rally. NSS utilizes its community outreach programs to engage with local residents and raise awareness. Also NSS collaborates with other organizations, such as the Red Ribbon Club, to enhance the impact of the rally. An AIDS awareness rally organized by NSS is a powerful tool for raising public awareness, promoting safe practices, and fostering a more inclusive and supportive society for individuals living with HIV/AIDS. All students enjoyed the rally and sent the message to the society about the awareness of AIDS and HIV Virus etc.

**Relevance and outcome :** Students has the knowledge and dangerous effects of the HIV virus and the AIDS. They made the rally for success of the spread of knowledge within the society about the AIDS.

**Feedback analysis:** ~~Student~~ gave the written attendance and oral feedback about the rally in college.

**Report of Activity for Submission to IQAC**

Event/Activity Name	Yoga Day
In Association With	
Date	21Jun2024
Time	08:00 AM to 10:00 AM
Place	Dept. Of Zoology, College Campus
Number of beneficiaries	60
Type of Activity	Yoga Day

**Details of the Programme:**

The World Yoga Day was successfully organised and conducted by Department of Zoology, Maulana Azad College of Arts, Science & Commerce, Aurangabad on 21/06/2024.

The primary objective was physical, mental, and spiritual practice as well as importance of physical exercise.

**Outcomes and Observations:**

In India Yoga is an ancient method for physical, mental, and spiritual practice for health wellbeing.

To promote students regarding physical exercise and its importance for healthy life.

To enhance the skilful practice among students' different kinds of yoga Asan.

To share importance of this practice in promoting physical fitness, mental clarity, and inner peace.

**Aims:** To awareness, promotion and skill full practice yoga Asan among students

**Objectives:**

Essential awareness regarding environmental issues and need for conservation.

Motivated students and staff get towards greenery practices.

Increase the thoughts in the students about strategies of environment protection.

Students creatively expressed their environmental commitment, expand stronger community bonds and a shared sense of environmental responsibility, thereby cultivating a more eco-conscious campus culture

**Relevance and Outcomes:** Enhanced awareness about Yoga techniques.

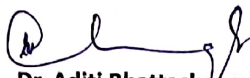

Students get motivated and practiced towards physical exercise techniques through protocol of Yoga Asan.

Students were satisfied by Yoga trainer after questionnaire-Doubt session

**Acknowledgement**

We would like to express our sincere gratitude to Mr. Ghousuddin Khan, NLP trainer for delivering an insightful and inspiring guest lecture on Bridging the gap : From academia to industry. Their expertise and knowledge in the field enriched students understanding of the subject matter and provided valuable insights into the latest trends and developments. The interactive session that followed the lecture was equally enriching, allowing Students to engage in fruitful discussions and clarify their doubts.

Students are grateful to Department of BCA -BCS for organizing this valuable opportunity. This guest lecture has significantly contributed to students academic growth and has motivated them to explore the subject further. We are confident that the knowledge and skills gained from this session will be invaluable in students future academic and professional pursuits.

Dept.of Microbiology

Entrepreneurship development on Biofertilizer technology

3.3.25

Beneficiaries: 25

B.Sc and M.Sc ( Microbiology and Biotechnology students)

Program coordinator: Dr.Madhuri Sahasrabudhe

A session on entrepreneurship development in biofertilizer technology was held on March 3rd, 2025, featuring Mrs. Pramodini Joshi as the speaker. The program likely aimed to educate and inspire potential entrepreneurs interested in venturing into the field of biofertilizers.

Based on the topic, the session has covered several key aspects relevant to starting and growing a biofertilizer business.

- **The significance and market potential of biofertilizers:** Highlighting the environmental benefits, the growing demand for sustainable agriculture, and the market opportunities within the biofertilizer sector.
- **Technological aspects of biofertilizer production:** Discussing the various types of biofertilizers (e.g., nitrogen-fixing, phosphate-solubilizing, potassium-mobilizing), the production processes involved, quality control measures, and potential for innovation.
- **Regulatory landscape and certifications:** Providing insights into the necessary licenses, certifications, and quality standards required for manufacturing and selling biofertilizers in India.
- **Business planning and financial aspects:** Guiding participants on developing a comprehensive business plan, understanding the initial investment required, exploring funding options, and managing finances.
- **Marketing and distribution strategies:** Discussing effective ways to reach potential customers, build brand awareness, and establish distribution channels for biofertilizer products.
- **Case studies and success stories:** Sharing real-world examples of successful biofertilizer entrepreneurs and businesses to provide inspiration and practical learnings.
- **Challenges and opportunities in the biofertilizer sector:** Addressing potential hurdles and highlighting emerging opportunities for growth and innovation.

Mrs. Pramodini Joshi, as the speaker, likely brought her expertise and insights to these topics, offering valuable guidance to aspiring entrepreneurs. The session would have provided a platform for participants to learn about the intricacies of the biofertilizer industry and the steps involved in establishing a successful business in this domain.

  
Principal  
Maulana Azad College of Arts,  
Science & Commerce,  
Rauza Baugh, Aurangabad

To provide a more detailed report, further information on the specific topics covered, the number of participants, and any key outcomes or recommendations from the session would be beneficial.

Entrepreneurship  
development in  
Biofertiliser technology  
Speaker- Mrs Pramodini Joshi

- Infrastructure for setting up a small scale plant.
- standardization and efficacy testing.
- Help from National and regional centre for organic farming.
- Registrations and loans for women entrepreneurs.

**\*\*BCC Intentional\*\***

Respected Sir / Ma'am,

Greetings from Infosys BPM!

We are glad to organize a Student Connect Program for your students (Non-IT & Non-Engineering) at the Infosys Pune campus on **22<sup>nd</sup> Feb 2025**. Thank you for sharing the details in the Student Response Form.

I am the program coordinator and can be reached at +91 7385644468 for any clarifications.

**Address:** Infosys Limited, Plot No. 1, Hinjewadi Phase II, Hinjewadi Rajiv Gandhi Infotech Park, Hinjewadi, Pune, Maharashtra 411057.

**Entry : Gate # 4**

Landmark: Near Wipro Circle Hinjewadi Phase II

Google Maps Link: <https://goo.gl/maps/wzZFhSND6AeJkmmD9>

**Below is the agenda for the program:**

8.30am - 9.30am	Arrival of students at gate no 4
9:30am - 10:00am	Tea/ Coffee
10:00am - 11.30am	Context Setting and Leader Connect Session
11:30am - 11:40am	Group Photo
11:40am - 1:00pm	Campus Tour
01:00pm - 02:30pm	Lunch
02:30pm - 3:00pm	Exit from the campus

*Pl. do the needful*  
*Dr. Syed Abed*  
*BCA, BCS Dept*  
*22/02/25*

**Request you to share the below guidelines with the participating students and faculty members,**

- Visitor passes will be given at entry **gate no. 4**, requesting you to report by 8:30 AM.
- Entry for the buses will be from **Gate # 4** and buses will be parked in the bus bay inside the campus.
- Our volunteers will escort your team to the venue.

- **All the students and faculty members must carry a college ID card and government ID proof like PAN / Adhaar / Driving License for entry purpose.**
- For Long distance intra / intercity travelers, please note there are no hotels for halting and freshening up in and around the campus. We will arrange Tea / Coffee for the visitors upon their arrival.
- Students and faculty members can use the washrooms in Food Court 4.
- **All the participants should check in at the same time which is 8:30 AM.**
- **Pen drives/Laptops/ other storage devices are not allowed inside the campus.**
- Students must switch off mobile phones during the Leader Connect session.
- Students cannot bring eatables from outside, into the campus, hence, request them to keep it in the bus itself.
- **Participants are not allowed to go to any building/facility alone and can enter the designated areas only as instructed by the assigned Infosys volunteer.**
- Participants are allowed to take pictures within the campus but not inside the facilities.
- **Faculty members are strictly not allowed to bring their own children on campus.**
- Only the shared list of faculty members and students with the actual numbers are allowed, as this same list has been shared with the Infosys Security Team.
- Sharp materials, nail cutters, cameras, pen drives, tobacco consumption materials, and syringes are strictly prohibited on campus.
- Our Infosys volunteers will be there to support you; however, college faculty members are 100% responsible for their students.
- **Infosys is a highly secured campus; hence, we request you to adhere to all the rules and regulations mentioned above.**

**Please do not forward this email or post it on any social media channels.**

Kindly reached out to for any further information.

Regards,

## Placement Progression Data 2023-2024

Tejashri Hanumant Todankar <tejashri.todankar@infosys.com>  
To: Syed Abeduddin <abeduddin@gmail.com>

Mon, Feb 10, 2025 at 2:35 PM

Respected Sir,

Greetings from BPM CSR team!!

We are glad to organize a **Student Connect Program for your students (Non-IT & Non-Engineering)** on **22nd February 2025 at our Hinjewadi Pune Campus**. Please do let us know if your college is interested in participating in the program. This will be a one-day event, where your students (Non IT / Non Engineering students) can enter the campus by 8.30 am and exit the campus by 2:30 pm. They will get an overview of Infosys, and will be able to go around the campus. One of our Senior leaders will speak to them for 1 to 1.5 hours on BPM industry and the opportunities it offers etc.

To confirm your participation, please fill in the student details in the attached form and share it with us **before 12th Feb 2025**. The preference will be given to the colleges who have shared the implementation or/and placement details. The participation will be confirmed on the first come first serve basis for first 1000 students would be confirmed participation. Once you send us a confirmation, we will send you a detailed mail with the agenda. **A minimum of 5 faculty members from each college should be present.**

**Note:** We can accommodate not more than 100 participants per college (Student + Faculty).

**Please do not forward this invitation to any other college/university or share it on any social media channels.**

I am the program coordinator and can be reached at +91 7385644468 for any clarifications.

Regards,

Tejashri Todankar

**Faculty Members:** Dr. Syed Abeduddin , Mrs. Ruheena Quadri , Mr. Khan Naim , Mr. Khan Ansar , Mr. Irfan Khan

**Students:** 38

**Introduction** The Department of BCA-BCS at Maulana Azad College proudly announces its successful participation in the exclusive 1-Day Student Development Program (SDP-2025) hosted by Infosys Pune. This remarkable achievement highlights our commitment to providing students with transformative learning experiences beyond the classroom. On February 22nd, 2025, forty of our students and five faculty members embarked on a journey to the Infosys campus, joining a select group of just 15 colleges from across Maharashtra. As the sole representatives of the Marathwada Region, our students had the unique opportunity to engage with industry leaders, explore cutting-edge technologies, and immerse themselves in the vibrant world of Infosys. This initiative exemplifies the forward-thinking vision of Principal Dr. Mazahar Ahmed Farooqui and the dedication of our faculty to fostering student success.

### **Goals and Objectives:**

#### **Goals:**

The 1-Day Student Development Program aimed to immerse students in the IT industry, fostering their technical and soft skills while guiding their career exploration. By connecting with professionals and experiencing a corporate environment, students gained valuable insights into industry trends and diverse career paths. The program also sought to enhance faculty knowledge of current industry practices.

#### **Objectives:**

The program's objectives were to provide students with firsthand experience of a corporate setting, expose them to cutting-edge technologies, and facilitate interactions with IT professionals. Through workshops and networking opportunities, students developed essential skills, explored career options, and gained a clearer vision for their future in the IT industry. Faculty, in turn, gained valuable insights to update their curriculum and teaching methods.

### **Relevance and Outcome:**

#### **Relevance:**

The 1-Day Student Development Program at Infosys Pune holds immense relevance for students, faculty, and the department as a whole. In today's rapidly evolving technological landscape, it is crucial for students to gain exposure to real-world industry environments and connect with professionals. This program bridges the gap between academia and industry, providing students with valuable insights, skills, and networking opportunities that enhance their employability and prepare them for successful careers in the IT sector.

#### **Outcomes:**

The program yielded significant outcomes for participants. Students gained firsthand experience of a corporate setting, interacted with industry experts, and developed valuable soft and technical skills. They also gained a deeper understanding of current industry trends and explored diverse career paths, enabling them to make informed decisions about their future. Faculty members gained valuable insights into industry practices, which they can utilize to update their curriculum and teaching methods. The program also strengthened the department's relationship with Infosys, opening doors for future collaborations and opportunities for students.

Under the discerning Guidance of Principal Dr. Mazahar Ahmed Farooqui, the Guest Lecture on **"Explore the Potential of Artificial Intelligence and Data Science "** unfolded on 05<sup>th</sup> October 2024, at the Seminar Hall of Maulana Azad College. The event commenced with a gracious welcome extended by the anchors, Mrs. Zareen Quadri and Mrs. Ruheena Quadri, to esteemed guest Ravi Yogesh Bhai Majithia, a prominent figure in Artificial Intelligence. Alongside, distinguished figures such as, Dr Shaikh Akhil, HOD C.S, Dr. Ilyas HOD (M.Sc. C.S), Dr. Syed Abeduddin HOD BCA-BCS were present. The seminar aimed to provide profound insights and experiences within the realm of Artificial Intelligence technology and Data Science, featuring notable speaker of repute in his respective domain. Dr. Abeduddin offered illuminating introduction for Mr. Ravi Yogesh Bhai Majithia. The technical sessions commenced with Mr. Ravi Yogesh Bhai Majithia articulating the significance of Artificial Intelligence and data Science in navigating the dynamic landscape of technology and engineering. The event witnessed approximately 300 computer science (BCA-BCS, M.Sc. and B.Sc.) 226 students and 20 faculties were present. Mr. Khan Ansar provided technical support for the event, The vote of thanks was delivered by Mrs. Ruheena Quadri, expressing profound gratitude to all participants, organizers, and attendees for their invaluable contributions and active engagement throughout the event.

**Maulana Azad College of Arts, Science and Commerce**  
**Department of Management Science and Computer Studies**  
**(BCA-BCS)**

Refine./MAC-BCA-BCS/2024-2025/

Date: 05/10/2024

**Name of the Activity :** Guest Lecture on “Explore the Potential of Artificial Intelligence and Data Science”

**Resource Person :** Ravi Yogesh Bhai Majithia

**Venue:** Seminar Hall

**Type of Activity:** Departmental Activity

**Number of Beneficiaries :** 226 Students and 15 faculties

**Goals and Objective :**

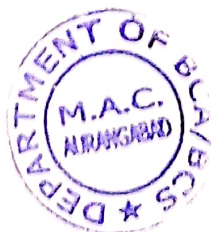

**Goals:** To Provide attendees with a deeper understanding of AI and data science, highlighting their applications, trends, and potential in various industries, encourage participants to think creatively about how they can apply AI and data science in their work, studies, or personal projects, Equip students or professionals with a foundational understanding of AI and data science, inspiring them to pursue further learning or certifications, connect academic learning with real-world industry practices by inviting experienced professionals who can share their insights, facilitate networking among attendees, promoting collaboration on projects, research, or career opportunities in AI and data science and highlight the growing job market and career opportunities in AI and data science, motivating students or early-career professionals to explore these fields.

**Objectives:** Provide a comprehensive overview of AI and data science, covering key concepts such as machine learning, big data analytics, and their real-life applications, showcase the latest advancements and trends in AI and data science, including automation, natural language processing, and predictive analytics, present case studies where AI and data science have transformed businesses, industries, and research fields, offer advice on the skills, tools, and certifications necessary to build a successful career in AI and data science and create an interactive platform where participants can ask questions, discuss challenges, and clarify doubts related to AI and data science topics.

**Relevance and Outcome :**

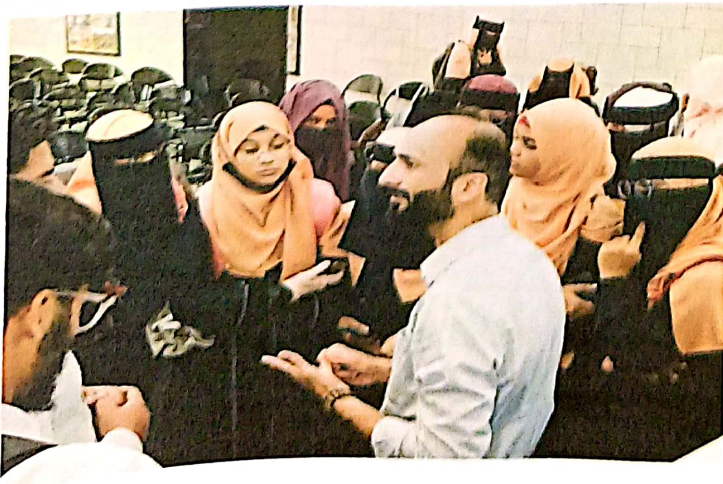

**Relevance:** AI and data science are rapidly transforming industries such as healthcare, finance, manufacturing, education, and entertainment. Understanding these fields is essential for staying competitive in the modern job market, with the exponential growth of data and advancements in AI, there is a high demand for professionals who can analyze data and build AI-driven solutions. The guest lecture will address this demand by helping attendees understand the career potential in these fields. As AI and data science evolve, keeping up with the latest developments is crucial. The lecture will provide insights into future trends and emerging opportunities, ensuring participants stay ahead in this fast-paced field.

**Outcome:** Attendees will gain a deeper understanding of core concepts, technologies, and methodologies in AI and data science, empowering them to apply this knowledge in their academic or professional lives. Real-world examples and case studies shared by the guest lecturer helped participants grasp the practical applications of AI and data science, making it easier for them to implement these technologies in their own work.

### **Acknowledgement**

We extend our heartfelt gratitude to our esteemed guest Mr. Ravi Yogesh Bhai Majithia for his valuable presence and insightful contributions to the seminar on "Explore the Potential of Artificial Intelligence and Data Science". His expertise and experience have provided invaluable guidance and inspiration to our students, enriching their understanding of the vast opportunities and dynamic nature of the Artificial Intelligence in the Software industry. Your support has made this seminar a resounding success, leaving a lasting impact on all participants.

We also express our sincere appreciation to our respected Principal, Dr. Mazahar Ahmed Farooqui, for his unwavering encouragement and for granting us the opportunity to host this seminar. Our gratitude extends to the IQAC Coordinator, whose meticulous planning and seamless coordination were instrumental in ensuring the smooth execution of the event. Thank you for your dedication to fostering an environment of learning and growth within our institution.

**Subject- Request for Permission to conduct a One-Day Workshop on Cyber Security.**

Respected Sir,

I am writing to seek your kind permission to organize a One-Day workshop on Cyber Security in the Department Lab - I on 05<sup>th</sup> January 2025.

The workshop will focus on providing hands-on training in cyber security concepts, tools and techniques along with exploring career opportunities in this field. We have invited **Mr. Imran Gauhar Khatib**, Manager at Nixasecura, an expert in cyber security, to lead the session and share practical insights and guidance on building a career in this ever-growing domain.

The interactive workshop aims to equip students with practical skills and knowledge that can be applied in real-world scenarios. We will ensure all arrangements, including lab setup and equipment, are properly managed while strictly adhering to college guidelines.

We kindly request your approval to use the department lab for this workshop. Your support and encouragement would greatly contribute to the success of this educational initiative.

Thank you for considering our request.

Refine./MAC-BCA-BCS/2024-2025/

Date: 04/01/2025

**Name of the Activity :** Workshop on "Cyber Security"

**Resource Person :** Mr. Imran Gauhar Khatib (Manager at Nixasecura)

**Venue:** Department Lab - I

**Type of Activity:** Departmental Activity

**Number of Beneficiaries :** 40 Students

**Goals and Objective :**

**Goals:** To raise awareness and enhance knowledge about cyber security among participants, equipping them with the skills and best practices needed to protect digital assets, data, and systems from cyber threats. To Educate students about the importance of cybersecurity in the digital era, provide insights into real-world cybersecurity threats and solutions, promote safe online behaviour and security practices, help students understand how cybersecurity principles apply in practical scenarios, introduce students to cybersecurity-related careers, certifications, industry demands and emphasize responsible cybersecurity practices and ethical hacking principles.

**Objectives:** Educate participants on the fundamentals of cyber security, including key concepts such as threats, vulnerabilities, and risk management, **Demonstrate common cyber-attacks** (e.g., phishing, malware, ransomware) and how to identify and prevent them, **Promote safe online practices** for individuals and organizations to reduce the risk of cyber incidents, **Introduce tools and techniques** used in cyber security like firewalls, antivirus software, encryption, and penetration testing, **Provide hands-on training** through practical sessions and simulations to build real-world defensive skills, **Encourage a security-first mindset** in day-to-day use of digital devices and online platforms, **Create awareness about legal and ethical aspects** of cyber security, including cyber laws and data protection regulations.

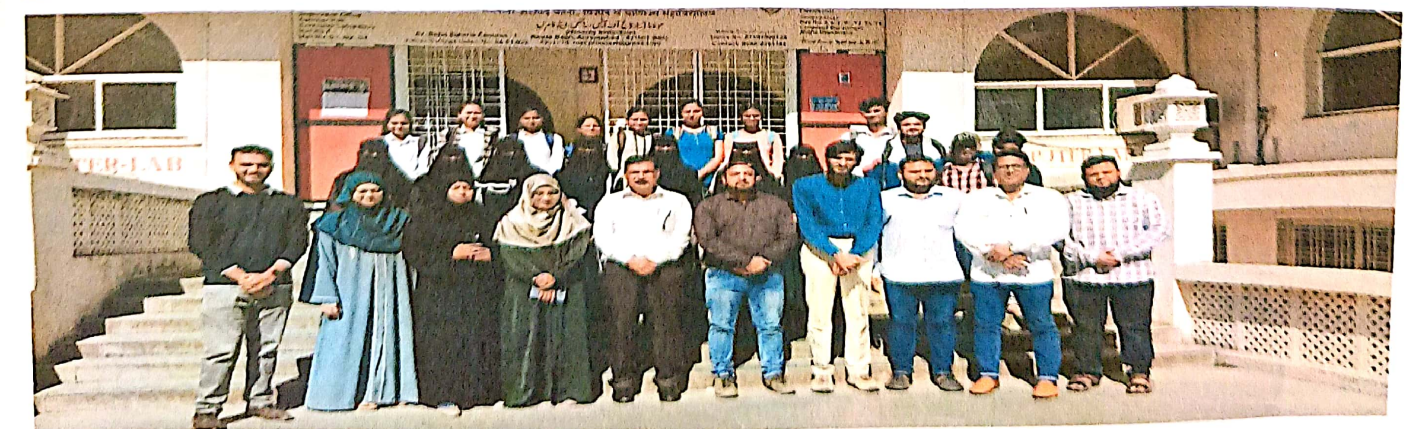

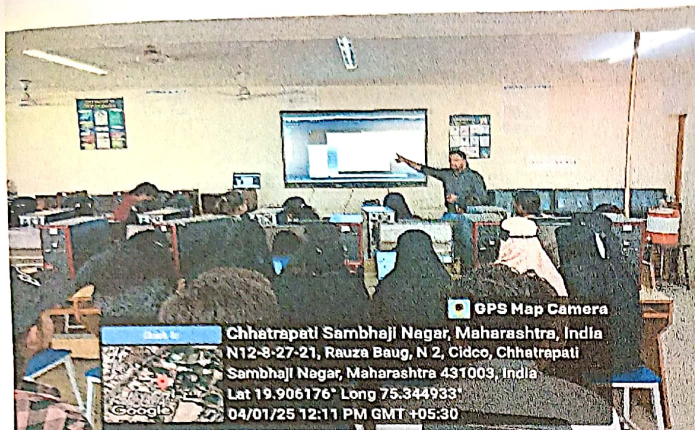

**Relevance and Outcome:**

**Relevance:** In today's interconnected world, the importance of cyber security cannot be overstated. With the increasing use of digital platforms for communication, education, banking, and business, individuals and organizations are constantly exposed to cyber threats. Many users, especially students and professionals outside the IT field, lack adequate awareness and training in handling these threats. Organizing a workshop on cyber security is therefore highly relevant, as it addresses the urgent need to educate people about online safety, data protection, and the evolving nature of cyber-crimes. Such workshops help build a culture of security awareness and responsible digital behavior in society.

**Outcome:** Participants gained a foundational understanding of cyber-security concepts, threats, and preventive measures. They learned to identify common types of cyber-attacks and adopted best practices to safeguard their personal and organizational data. The hands-on sessions and real-world examples enhanced their practical skills, enabling them to respond effectively to cyber incidents. The workshop empowered attendees to become more cyber-aware individuals, capable of maintaining safe online habits and contributing to a more secure digital environment.
