- To promote financial inclusion by enhancing awareness of banking services, government schemes, and digital financial tools.

**HIGHLIGHTS OF THE PROGRAMME**

The Department of Commerce & Management Science successfully conducted a Financial Literacy Program under the initiative MUDRAKSHAR on 1st February 2025 at Rasoolpura village, located approximately 10 km from Aurangabad. The program aimed at educating the villagers about financial awareness, investment decisions, and fraud prevention through an interactive and engaging format. Students from B.Com , BBA and M.Com programs played a crucial role in outlining and executing the program. They designed a road play to effectively communicate key financial concepts to the villagers. The play revolved around the challenges faced by a common man, highlighting areas such as: IT scams and financial frauds – Educating villagers on how to identify and avoid fraudulent schemes. Investment planning – Emphasizing the importance of saving and investing wisely.

The program was a sole initiative of Dr. Aparna Saraf, Head, Department of Commerce & Management Science, who spearheaded the event with dedication and vision. She was ably assisted by Dr. I.M. Farooqui, Retired Faculty, who provided valuable insights and guidance in shaping the program.

The entire event was smoothly coordinated by Sk. Zarqa, ensuring the successful execution of the literacy campaign.
