Career Katta

Date: - 10-02-2024

Time:- 11:30 am

Venue:- Hall No. 03.

Activity:- Career Katta Awareness Program

Speaker:** Dr. Sk Shakeel Majeed, Assistant Professor

Career Katta is a Government of Maharashtra initiative aimed at providing career guidance and skill development opportunities to the youth of the state. The program is designed to bridge the gap between education and employment by connecting students with potential employers, industry experts, and training providers.

As part of the awareness campaign for Career Katta, Dr. Sk Shakeel Majeed, an Assistant Professor, delivered an informative session highlighting the program's benefits and opportunities. The session was attended by a diverse group of students, educators, and career counselors from across the state.

Dr. Majeed emphasized the importance of career awareness and planning, especially in today's competitive job market. He explained how Career Katta can help students identify their strengths and weaknesses, explore different career paths, and develop the skills necessary for success.

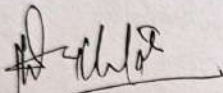

The program offers a wide range of services, including career counseling, job fairs, workshops, and internships. Students can access these services through the Career Katta website or mobile application. The program also provides financial assistance to students from economically disadvantaged backgrounds.

Dr. Majeed highlighted several success stories of students who have benefited from Career Katta. These students have secured jobs in various sectors, including IT, banking, healthcare, and

manufacturing.

The awareness session was well-received by the attendees, who expressed their appreciation for the information provided. Many students expressed their interest in joining the Career Katta program and exploring the opportunities it offers.

Overall, the awareness campaign for Career Katta was successful in raising awareness about the program and its benefits. The program is expected to play a significant role in improving the career prospects of the youth of Maharashtra and contributing to the state's economic growth.
