**Details of the Program:**

**Goals and objectives:**

- To impart knowledge on designing research activities tailored for smart classrooms.
- To guide participants in effective data collection and analysis techniques.
- To enhance reporting skills, ensuring clarity and impact in research documentation.

**Highlights of the Programme**

On November 4, 2023, a workshop on "Activity Conduct and Reporting" was organized Commerce and Management Science department, Dr. H.K Makeen, a distinguished expert in the field of academia, delivered an insightful session on the importance of meticulous research planning and designing. He highlighted key considerations, such as defining research questions, selecting appropriate methodologies, and developing robust research designs.

Dr. Mustansir Ezzi, led a session by active participation through group discussions. Participants had the opportunity to apply the concepts learned during the sessions, fostering a dynamic learning environment. The interactive nature of the sessions ensured that the learning experience was not only informative but also engaging.

This workshop has undoubtedly contributed to advancing the research capabilities of the participants, aligning them with best practices in the field. The workshop was concluded under the guidance of Dr. Aparna Saraf, Head, Department of Commerce & Management Science.
