Highlights of the Programme:

The Science exploration was conducted for 10th standard of Urdu medium student from Aurangabad district. In science exploration 135 students and their 22 teachers were also present from 40 different schools. The program was arranged by the six department i.e Chemistry, Physics, Zoology, Botany, Geology and Psychology departments of Maulana Azad College of Arts Science and Commerce.

In the department of chemistry four tables were arranged in which experiments through different categories were set. In two tables six experiments were conducted from the 10th syllabus under the supervision of Mrs. Ayesha Meraj, Mr. Mohsin Abdul Aziz, Mr. Nawaz Ali Baig and Miss. Shaikh Ruqiyya. One table is arranged to show the pH of different daily use product such as cold drinks, tomato souse, soaps, shampoo under the supervision of Dr. Syeda Ummul Khair Asema and Dr. Shazia Mirza. The last table was arranged for chemistry in black magic. In which different experiment used in black magic to counter the common illiterate people. On this particular table the blood comes out from the lemon was shown. The fire comes out after the reaction on $KMnO_4$ and glycerin etc were shown under the supervision of Mrs. Naushaba Gulrez.

The overall program was coordinated by Dr. Sultan Kasim and subject coordinator was Dr. Samreen Farooqui. The program was guided by Dr. Arif Pathan. The program was also well supported by Mr. Saif Qazi, Mr. Shaikh Mussaddique, Mrs. Asma Parveen, Mr.

Mubashhir Farooqui. In the program the students from under graduation and post graduation student were also participated as volunteer. They looked for the discipline of the school students and arranged lunch for them. Without the cooperation of volunteers the program can't get the success.
