Respected Sir/ Ma'am,

In celebration of this significant day, we are organizing a series of competitions aimed at promoting awareness of women's mental health and honoring the remarkable contributions of women to our society.

THEME FOR 2024: "INVEST IN WOMEN: ACCELERATE PROGRESS"

The theme for International Women's Day 2024 is "Inspire inclusion." This means that we appreciate and respect women from all different backgrounds. The world gets better for everyone. When women feel like they belong and are important, they feel stronger and more empowered.

The competitions encompass three engaging events: Debate, Poster Making, and Elocution, providing a platform for students to showcase their talents and creativity while addressing pertinent themes related to mental health.

We cordially invite the students of your esteemed Institution to participate in these competitions. Each event offers a unique opportunity for students to express their thoughts, engage in meaningful discourse, and contribute to the advocacy for women's mental health.

Cash prizes will be awarded to the winners of each category as a token of recognition for their outstanding efforts.

The prize distribution will be held on 2nd March, 2024 at Dr Quadri's Mental Health Centre.
