Details of the Programme: Students Visit to High Court

Goals and objectives:

The Goals of the visit is that it helps the students to understand the judicial process at the High court by directly experiencing it. for any student who is planning for a career as an advocate such an experience would help to promote their ambitions and plan career forward. The objectives was to understand the procedure that is being followed in the High Court. The procedure followed in High Courts is different from that of trial courts as there are no such elaborate procedures of trial being conducted in High Courts as there in trial courts.

Highlights of the program:

As a part of value addition to the curriculum the college organized the high court visit to the Bombay High court at Aurangabad Bench.

The said visit was organized on 24 May 2022. Total 13 participated in this study tour. The students were divided amongst the courts.

The students observed the court procedure and arguments in the said visit. They were asked to take notes regarding observation of court.
