Demonstration & Practice of Chemistry Practical to Students Preparing for

Homibhaba Junior Scientist Exam (2nd Phase)

Report

Report of activity for submission to IQAC

Name of the Event / Activity/ speaker: **Hands on training for the students of Narayana Institute.**

Date:-17/12/2023

Venue: M.Sc Chemistry Laboratory

Type of activity: Co-curricular

Time:- 10.00 am to 3.00 pm

Number of beneficiaries: 16

Extension: Departmental activity

The sixteen students from NARAYANA institute from the 8th and 9th standard were trained and their doubts were cleared. The students were cleared in Homibhaba Junior Research Fellow 1st phase. They are preparing for the 2nd phase. This phase was based on experiments. The experiments were related to the topics of basic chemistry. Students observed the experiments and performed simple experiment. The event was highly beneficial as it enhanced students understanding of theoretical concepts through practical applications. It also boosted their confidence and readiness. Students actively participated, asked questions and showed enthusiasm for learning. Sixteen students were benefited. Two teachers and one batch operator from NARAYANA institute were also present. The practicals were explained by Miss. Shaikh Ruqqiya, Miss. Sabreena Yamin and Mr. Quazi Saifuddin. Dr. Samreen Farooqui was the coordinator of the program.
