

COLLEGE EXECUTIVE SUMMARY

Maulana Azad College of Arts, Science and Commerce, Aurangabad is a premier Minority Institution of this region, located in the central part of Maharashtra. It was established by a visionary, a renowned freedom fighter, academician and writer par excellence, a philanthropist and a noted politician, Dr. Rafiq Zakaria under the mantle of Maulana Azad Educational Trust. It is providing education to 11853 students. Maulana Azad College of Arts, Science and Commerce, Aurangabad was established in the year 1963 and is affiliated to Dr. Babasaheb Ambedkar Marathwada University. The college is recognized by UGC under Section 2(f) and 12(B), UGC Act 1956. The constant focus of the institution has been "Education for all" embracing a secular outlook in its endeavour to give the best of education to under privileged and economically deprived sections of the society irrespective of the caste, creed or gender bias. The college has facilitated 6477 scholarships, installments in fees as well as fees waivers if required for the needy students. It has enriched, competent as well as experienced teaching staff, state-of-art infrastructure, well-equipped 28 laboratories including computer labs, a language laboratory, 10 ICT enabled classrooms, 01 audiovisual room, a rich Knowledge Resource Centre with 24x7 library for competitive studies, departmental libraries, a biodiversity enveloped beautiful campus, boys hostel, botanical garden and greenhouse, several lawns, gardens and a huge sports complex. It is a centre of learning for the under privileged, muslim minority students and follows all the norms and procedures laid down by the state government with respect to reservations of seats for minority colleges. It provides quality education in the form of 56 programs including 40 certificate courses to cater to the skills and job worthiness of the students. The College participated in NIRF, Unnat Bharat Abhiyan, Mahatma Gandhi National Council of Rural Education under the HRDC. 44 faculty members have Ph.D. as its highest qualification and has 56 non-teaching staff. NAAC has accredited our college with a grade A grade in its 2nd cycle with a 3.03 CGPA. The college has been recognized under the UGC College with potential for excellence scheme. The college has been awarded the District Green champion award along with 12 awards and recognition from different organisations with respect to the work done in water harvesting and conservation of the environment. The college has a distinguished list of Alumni that have offered their services in reputed organisations and also includes the Member of Parliament of Aurangabad constituency, IRS officer, Govt officials, Industry personnels, lawyers and teachers. Our faculties and students follow the vision-mission statement of the college ardently and contribute in all the domains with utmost sincerity so as to achieve the committed goals. The college is progressing in both research and academics. The faculties have excellent research publications as well as patents.

The college has a dedicated NCC and NSS wing through which a diaspora of Government initiatives are communicated to the masses. Our firm commitment towards national unity and integrity is visible in our activities and in tune with our National Education Policy 2020.
